TADA! Youth Theater's wish list is pretty long. It is filled with simple and complex wishes, funny and frivolous wishes, serious and significant wishes, abstract and concrete wishes, daily wishes, weekly wishes, yearly wishes and, of course, lifelong wishes.

More than 25 years ago, TADA! was started with just one wish—to make growing up just a little bit easier by helping children reach their full potential through the outlet of musical theater. And with a lot of hard work, determination and support, that wish came true. Each year through our high-quality productions, classes, camps, and in-school and after-school programs, thousands of young people gain confidence, learn commitment, responsibility, communication and teamwork (skills that are critical to their success both in school and in life). **TADA! gives kids the opportunity to do what they do best—make magic through musical theater in a warm, safe and nurturing place that they call their second home.**

However, it isn't always easy to keep a wish granted year after year; especially when you live in a world as unpredictable as ours. Therefore, we ask that our supporters help grant a few wishes too. We are honored to announce that a very special donor has created a new wish for TADA!—that we raise \$25,000 by August 31, 2010—which they will then match, dollar-for-dollar.

You can help grant this wish if you, and everyone else who receives this letter, gives as little as \$25.

Will you help make our wish come true?
